

A Two-Day Workshop  
Experience

# Discovering Barnegat Bay

using

## Project Based Learning

ALL OCEAN COUNTY & MONMOUTH EDUCATORS WELCOME  
Incorporate local historical, cultural and natural resources into your program.

**May 3 - 4, 2005**  
**8:30AM-3:30PM**  
**at the Lighthouse Center**  
**for Natural Resource Education**  
**Waretown, NJ**  
(Register early)

Project Based Learning guides teachers through a process that engages their students in designing and implementing successful projects.  
The overall theme of this initiative is to instill a sense of place and connection to the Barnegat Bay Watershed for the students, the school and the community.

Partnership between Ocean County Soil Conservation District and  
Rutgers University-Center for Effective School Practices

*Those educators that have previously attended a Discovering Barnegat Bay workshop and attend this workshop will have their school districts reimbursed \$100 per teacher to help off-set the costs.*

*Cost of this two-day workshop is \$300 per person (refreshments and lunch will be provided). Handbooks will be provided free of charge.*

For more information, visit Center for Effective School Practice's website at <http://cesp.rutgers.edu>  
or the Ocean County Soil Conservation District's website at: <http://www.ocscd.org>

Copy this form as needed, using one per attendee/per workshop
